**DISTRCT FACILITIES PLAN HEARING REPORT\***

A public hearing was held at the district office of the Barbourville Independent School District on March 10, 2011, at 5:31 p.m. (local time). The purpose of the public hearing was to propose a new District Facility Plan developed by the Barbourville Independent Schools Local Planning Committee. The Local Planning Committee (LPC) voted (6-0) in favor of the proposed new plan and the Board voted (5-0) to approve the new plan.

There was one (1) person at the hearing, exclusive of the hearing officer in attendance. (Refer to the attached sign in sheet for a list of those who were present.). Kelly E. Ives, project manager for RossTarrant Architects, served as the locally-appointed hearing officer.

**COMMENTS**

Kelly Ives called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. All considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer provided copies of the proposed new District Facility Plan which includes major renovations and additions at both the Elementary and the Middle/High School Building.

The floor was opened to those who wished to make a statement, but no written statements had been submitted and no individuals wishing to offer an oral testimony were present.

**RECOMMENDATIONS**

It is recommended that the new District Facility Plan developed by the Barbourville Independent Schools Local Planning Committee and adopted by the Barbourville Board of Education be approved as the District Facility Plan for the Barbourville Independent School District. A copy of the new plan is attached.

Respectfully submitted,

**Kelly E. Ives, AIA, LEED AP**
